

Sergeant Jason McQuerry Came To Dorm 213 Cell # 1-34 where I was housed and Took me to Booking After dressing me out in Red and White Stripes He Took my picture and fingerPrinted me on A Dry Book into Rankin County System Then Jason McQuerry USED Excessive Force Against me by first putting me in HandCuffs restraints Then next pushing me into Every door, wall, and whatever he can find all the way back To my Cell # 1-34 on dorm 213 where the Jail Staff had me held on Suicide for No Reason.

Then I went to Court where I suppose to have had my Preliminary Hearing and Sent Home on Lack of Evidence because the charge wasn't valid which means I was Setup, with No Evidence on Receiving Stolen Property Richard Redfern SRT my Bond upto 250,000 and turned me over to the Grandjury. Which is Excessive Bail. All This is because I have A ~~W~~ASH Signal To my Presents and I'm being discriminated Against because of this Signal.

So while held at Rankin County jail I've filed Several Motions on Case 24-20077 To attempt to GET This Bogus Case Dropped Because I knew I was Setup for this Signal to my Presents. So I filed A Motion To Quash Evidence and A Motion To Dismiss Case Several Attempts to John Bramlett at 215th Government St Brandon MS and To Michelle Adcock at 215th Government St Brandon MS with No Response Once in September next in October then in November. Everytime I filed I put on the back of Each Motion To SEND

ME A Filed Copy of Each Motion with An Extra
 Copy of A Case Docket Summary To Show the History
 of Everything I've filed. WITH No Response TO me on
 NITHER REQUEST. IN fact I put This Last Lawsuit
 in Bryan Bailey as A DEFENDANT Name because
 while I'm Held in This Location The Employees who's
 Having Authority over me Daily is on this Day Roll.
 The Signal is Still TO my presents and I'm Held
 on protective Custody for the SAFETY of my life.
 There are Government Agents here To keep me
 protected but it's A CATCH TO that because MARSHALS
 ARE Showing up DAILY TO TRY TO KILL ME with
 A OREGO ASSAULT rifle and somehow Everytime
 I FILE A Motion to Rankin County Court These people
 come here after me and formed up around
 me TO TAKE my life All why Bryan Bailey is
 Sheriff here but nobody is pursuing charges on
 STABBING or ATTEMPTED MURDER or CONSPIRACY TO
 Commit MURDER TOWARD ROBERT LEON DENT.

Also The Court hasn't Ruled on the Motion's or they
 haven't SET A MOTION Hearing DATE TO BE Heard
 in COURT or Not yet DISMISS The Charges.
 I'm SETUP and HELD until they kill me
 in Jail, I HEARD I'm not gonna make it
 OUT THAT's why I NEED THE U.S. MARSHALS.
